OFFICE OF THE SUPERINTENDENT POWER AND LIGHTING, MYSORE.

Notification dated 7th February 1935.

It is hereby notified for the information of the Public that six Instantaneous Electric Water Heaters, 220 volts, 30 amps, removed from "Lake View" Heating Installation will be sold by public auction at 3 P.M. on the 11th March 1935 in the premises of the Superintendent, Power and Lighting, Mysore.

The materials may be inspected at the Office of the Superintendent, Power and Lighting, Mysore between 8 A.M. and 12 Noon and 2 to 5 P.M. on all week days, except on Sundays and authorized Government Holidays.

The auction will be in one lot or will be dealt with individually as the Officer conducting the sale considers desirable.

The bid will be knocked down to the highest bidder, subject to the subsequent approval of the Chief Electrical Engineer to the Government of Mysore, Bangalore.

The person in whose favour the auction is decided will have to pay 50 per cent of the value in cash or by means of Cheque on the Bank of Mysore, Mysore.

The delivery order will be given, when the auction sale is confirmed by the Chief Electrical Engineer to the Government of Mysore, Bangalore, and on payment of the full value of the articles by the purchaser.

The Superintendent, Power and Lighting, Mysore, will have the right to reject the highest or any other bid without assigning any reason therefor.

If the purchaser having paid 50 per cent of the value of the materials, fails to pay the balance within three days after instructions as to the confirmation of the sale, the initial sum paid will be forfeited to the Government and the materials auctioned out at his risk and without any participation of profit, if any.

A. C. MUNIRATNA MUDALIAR,
Superintendent.

MYSORE RAILWAYS.

MYSORE DIVISION (OPEN LINES).

Notification dated 12th February 1935.

IMPROVEMENTS TO SOME CUTTINGS ON BANGALORE-MYSORE SECTION.

Sealed tenders will be received at the Office of the Executive Engineer, Open Line Division, Mysore Railways, Mysore, upto 11-30 A.M., on Monday the 4th March 1935 from contractors who are willing to tender for the above, between Bangalore and Mysore at places fixed.

2. Tenders should be submitted in special forms which can be obtained from the Executive Engineer, Mysore Railways, Mysore, on production of a receipt from the Auditor, Mysore Railways, Mysore, for rupee one, being the cost of the form. Contractors are advised not to leave the purchasing of the Tender forms to the last day as the time mentioned above, *viz.*, 11-30 A.M. on 4th March 1935 will be adhered to.

3. The tenders must be accompanied by a receipt of payment of earnest money of Rs. 50 to the Auditor, Mysore Railways, Mysore, mentioning this work.

4. Tenders which give rates as per estimate rates or so much per cent above or below estimate rates will not be considered.

5. The name of the accepted tenderer will be posted on the Notice Board of the Executive Engineer's Office as soon as it is approved. No enquiries regarding the acceptance or rejection of a tender will be replied.

6. The earnest money of the unsuccessful tenderers will be returned as soon as possible after the tenders are disposed of while that of the successful tenderer will be accepted as security for the due fulfilment of the terms of the agreement.

7. The successful tenderer should deposit with the Auditor, Mysore Railways, Mysore, before he signs the Schedule Agreement 5 per cent of the value of the work, for which the tender is accepted as security for the due fulfilment of the terms of the agreement.

8. The final acceptance of the tender will rest with the Superintendent, Way and Works, Mysore Railways, Mysore, who does not bind himself to accept the lowest or any tender and who further reserves to himself the right to reject, without assigning any reasons therefor any or all the tenders or any portion of a tender.

9. Work should be started within a week from the date of acceptance of tender and completed within three months from the date of starting work with a guaranteed monthly rate of progress. The accompanying statement (see below) gives the approximate quantity of work to be executed and the quantities are not guaranteed.

10. The time limit specified in para 9 should be strictly adhered to and any violation of this will render the contractor liable to forfeit his 5 per cent deposit amount not as a penalty but as ascertained and liquidated damages recoverable accordingly.

11. Tenders may quote for any or all items of work in any or all places noted in the Schedule. They may call and obtain any required information connected with this Notification, from the Office of the Senior Executive Engineer, Mysore Railways, Mysore, during office hours.

12. In all matters of dispute regarding rates, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Superintendent, Way and Works, Mysore Railways, will be final and legally binding.

13. In case the accepted tenderer quarries stone from Railway, Government or Forest Land for use on this work, he must make his own arrangements in advance for payment of Royalties, etc., as the Railway Department will not concern itself regarding the payment, recovery, etc.

14. No blasting to be done without formal orders.
